SAN BERNARDINO, CA— Through continued partnership, attorneys and service firms (including the public) may purchase unlimited name search credits for a flat fee of \$200 per month and explore advance calendar searches on its online case management system, CAP, beginning today, October 4, 2022.

Along with these additions, San Bernardino Superior Court (SBSC) will sunset its classic Public Portal on Friday, October 28, 2022, at 5:00 p.m., making CAP the primary system for public access to court case information online.

To view minute orders, purchase documents, and purchase name search credits, all CAP users including attorneys and litigants, must complete the registration process, by visiting <https://cap.sb-court.org/> and providing your name, phone number, email, and a password. For further instructions or user-tutorial videos, visit [CAP Instructional Videos and FAQ | SBSC](#).

To pay a citation or court costs and other fines, simply click on the [“Pay My Traffic Ticket”](#) button on the court’s website. While payments can still be made through the clerk’s office and over the phone, SBSC highly encourages all court users to use this online payment method.

Over the last year, SBSC has taken significant steps towards improving access to court information online by developing a phased-in program to serve as the public’s main access for electronic court case information. Through continued funding to modernize court operations and services, CAP has provided enhanced stability as well as improved performance along with a host of new capabilities for court users and attorneys. These enhancements include traffic payments in a unified location, multiple document purchases in one transaction, a user dashboard, and new search functionalities.
